	<input type="checkbox"/>	Rider (shared room)	£300 deposit to pay now	£1,795 balance to pay
	<input type="checkbox"/>	Sharing with...		

Please note, in the event of exceptional foreign exchange rate fluctuations, we may need add a surcharge to the cost of the tour. We will only do this in exceptional circumstances and we will advise you as soon as possible if this becomes necessary.

The rooms we book for the tours will have either double or twin beds. Please state which you would prefer. We will endeavour to meet all preferences, but this may not always be possible:

Double bed	<input type="checkbox"/>
Twin beds	<input type="checkbox"/>
No preference	<input type="checkbox"/>

Each of the tours above have a difficulty rating. To help you to understand if a tour is right for you, you can expect the following from each difficulty rating:

Easy – Can be ridden by any rider, but we expect that you have been riding large motorcycles for at least a year and that you have some experience of, and are comfortable with, riding in groups of at least eight motorcycles before. While it will be better if you have ridden in mainland Europe before, this is not essential. While there is not much motorway riding on the tour, as a guide, you will be expected to be able to ride at 70mph on motorways. We do not ride fast on this tour. There will be plenty of stops, and some days will be shorter, but the longest days will include around 9 hours of riding, with plenty of breaks.

Moderate – These tours are not recommended for new riders. You should have at least four years of riding experience on large motorcycles. You must have ridden on the right-hand side of the road before and you must be comfortable with travelling in a group of riders and be able to keep a good pace within that group. We do not ride fast, but at the same time, it is better if riders do not go too slowly. The route is very likely to include some twisty roads and hairpin bends / switchbacks, some tight. There is also likely to be some riding in mountains at considerable elevations. While there is not much motorway riding on the tour, as a guide, the group will be riding at speeds of 75mph on motorways. You must be confident of riding in rain and on wet roads. Each day's riding will be around 9 hours, with breaks. You should be able to ride all day. If you are at all unsure if your riding ability is good enough for this tour, then you must contact us by telephone to discuss.

Challenging – These tours are for experienced riders only, with say, a minimum of five years of riding large motorcycles. You must have ridden on the right-hand side of the road before on many occasions and you must be comfortable with travelling in a group of riders and be able to keep a good pace within that group. We do not ride very fast, but at the same time, it is better if riders do not go too slowly. The route will include many twisty roads, plus many high mountain roads with many tight hairpin bends / switchbacks. There will be some sections of road with steep drop-offs at the side and no guardrail. If you or your pillion are at all uncomfortable at riding at height, then this tour is not for you. If you are from the USA, please note some of the roads you will be riding are significantly narrower and have tighter bends than in the USA. All roads are fully paved. While there is not much motorway riding on the tour, as a guide, the group will be riding at speeds of 75mph+ on motorways. You must be confident of riding in rain and on wet roads. Each day's riding will be around 9 hours, with breaks. You must be able to ride all day. If you are at all unsure if your riding ability is good enough for this tour, then you must contact us by telephone to discuss.

Timing: As soon as we receive your booking form, we will send an invoice to you for the non-refundable deposit, which is payable straight away. 3-4 months before the tour starts we will send an invoice for the balance.

Detailed tour information: An itinerary will be sent to you by email soon after the deposit for the tour is paid, or by 1st January at the latest. About 1 month before the tour start date, an updated itinerary will be sent containing the very latest information.

Terms and Conditions: By making a booking with us you confirm your acceptance of our terms and conditions, which can be found at the bottom of each page of our website.

Motorcycle shipping information: For our one-way tours, a few weeks before the tour starts you will be contacted directly by We Move Bikes with details of shipping your motorcycle back to the UK. This is dealt with directly by them.

For the one-way tours, the prices above include the cost of transporting your motorcycle back to London or Gloucester, but not the cost of insurance for shipping your bike back, as this is based upon the value of your motorcycle. This insurance cost is approximately £4 per £1000 of the value of your motorcycle. You will be contacted by We Move Bikes just before the tour to arrange this payment.

Where did you hear about us?

We would like to know how you heard about Tour1. This helps us target our advertising better.

IMPORTANT: Data Protection. This section MUST be actioned.

As of 25 May 2018 new data protection laws were introduced in the UK and as a result, we need to ask you some specific questions. Tour 1 collects and holds the information you provide on this booking form only for the purposes of organising the tour. You can rest assured that we do not pass that information onto any 3rd party, other than organisations like hotels / Eurotunnel / ferries / motorcycle shipping company where we need to provide them with your name as part of their own booking process.

Tour information.

As a result of booking a tour, Tour1 will send information to you about the tour you are going to take part in, by email. Please confirm you are happy to receive such emails from Tour1 about the specific tour you have booked. This will include the itinerary, routes, invoices, tips and advice about the specific tour. This information is vital to you in order for you to take part in the tour and therefore non-acceptance of this will mean we cannot accept your booking.

I consent to being sent this tour specific information:

Yes

No

Tour1 Newsletter.

Separately, Tour1 sends out a monthly newsletter about our tours, motorcycle touring news and advice, as well as riding tips and suggestions. If you would like to be sent this newsletter or not, please indicate that below. If you already receive the newsletter, you don't need to do anything. You can unsubscribe from the newsletter at any time.

I consent to being sent the monthly Tour1 newsletter.

Yes

No

WhatsApp Communications.

For each tour, we set up a WhatsApp group so that the riders can informally say hello, chat, swap ideas / questions. We will also use it during the tour to remind everyone about daily start times etc. This works really well. We will be doing that for the tour you are booking for. Many riders on our tours are likely to already use WhatsApp, which is free to get the app. It allows you to send messages, texts and even pictures to anyone for free as long as you are within your monthly data allowance. It works well.

Being sensitive to each individual's needs and needing to respect the data protection act, we have to ask if you want to take part in this before adding you to the group. If you don't want to join the group, that's not a problem. Tour1 will not use WhatsApp for main communications, so you won't miss anything important.

I consent to being added to the WhatsApp group for this specific tour.
